## PT. Pancamitra Packindo

*Keeping Things Running*

PT. Panca Mitra Packindo is a paper manufacturer and supplier of a wide range of prime grade and stocklot paper products. A company that aspires to be "a great leader in domestic market paper and international market" their mission is to "improve our product quality to reach customer satisfaction".

For a company obsessed with quality, **CPS/ Enterprise** helps to ensure its sales, cost, warehouse etc runs at maximum capacity with minimal errors.

# CPS GIRO

*Seamless. Simple*

CPS GIRO has helped many companies adhere to governmental ruling regarding cheque issuance and to move its payment facilities with CPS GIRO. Result is a more seamless and integrated payment experience. We are proud that a few companies below have implemented the CPS GIRO.

MC Pack (M) Sdn. Bhd, an established paper packaging materials manufacturer and trader located at Senai, Johor Bahru, with a sales branch located at Kajang, Selangor. They manufacture carton boxes and count Panasonic & Brothers as customers. A company of 90 employees working together towards a common goal of achieving excellence results, MC Pack prides itself in career development and company business expansion.

Kotak Malaysia (KOM) Sdn. Bhd is a wholly owned subsidiary of MUDA Holdings Berhad, a public listed company in the Kuala Lumpur Stock Exchange. Kotak Malaysia produces paper carton related packaging products, meeting both local and international markets.

UPP Holdings Limited, formerly known as United Pulp & Paper Company Limited (the "Company") was established in 1967. The Company was listed on the main board of Singapore Exchange Limited on 15 October 1980.

Muda Pasifik, a subsidiary of MUDA, a long time user of Prestige Atlantic's CPS/Enterprise for over 10 years has also adopted the CPS GIRO.

Lastly, Rengo Packaging Malaysia, a subsidiary of Rengo Co. Ltd (Japan), a manufacturer of corrugated carton boxes too has adopted the CPS GIRO.

With a recent government ruling discouraging cheques, these companies can now issue their payments via online to banks. By integrating CPS Giro and a Cheque Writer, payment is seamless, accurate and easy. Linking CPS Giro with cheque issuing makes payments to multiple easy and safe. With much value-added service such as issuing cheque without time-based month-end closing, the system allows our clients to make payments promptly and easily.

# PT. Satyamitra Kemas Lestari

## Setting New Benchmarks

PT. Satyamitra Kemas Lestari is a packaging manufacturer located in Tangerang. With years of experiences in corrugating industry, the company is committed to set new benchmark in packaging industry by constantly strive to seek innovative, sustainable ways to better accommodate their customers. Since its founding in 2005, the company has always been working closely with all of their customers to achieve better mutual understanding. They currently serve customers who are market leaders in various industries such as food and beverages, electronics, furniture, apparels, automotive and households appliances.

An existing user of **CPS/ Enterprise**, the company recently linked its system to a DECC controlling software called the Challenger System. It is able to reap the benefits of a specialized corrugator scheduling and integrations system with real time results. By integrating its systems into one single engine, the company cuts out many time-consuming and ineffective overlaps. With a complicated system made simple, the front users are able to immediately start using the system.

# Keris Award

*Trust Our Cornerstone*

---

In this commercialized society where deceits and frauds have tremendously impeded the comprehensive development of the entire industry, honesty of an enterprise has become increasingly important. Honesty represents the operating and managing style of an enterprise, its reputation as well as public image in the market. It is also a vital indicator when entrepreneurs choose their strategic partners or when consumers make their purchasing decisions. We look forward to building up an "Asia Pacific Honesty Enterprise Community", which will definitely benefit honest entrepreneurs.

Open to all public listed companies, multinational companies, government-linked companies and large Corporations and enterprises of the Asia Pacific region, the Award is given to companies with outstanding performance on individual and multiple aspects such as marketing strategies, prestigious products/ services, R&D capabilities and sales results.

Prestige Atlantic is honored to be awarded the prestigious Keris Award. With integrity and reliability as the cornerstone of our business, we are proud we are recognized by the industry with such an honor.
