## PEACE PACK, KEDAH

### CPS ENTERPRISE 2023 PROJECT

Established over two decades ago, Peace Pack Sdn Bhd has become a distinguished leader in the packaging solutions industry in Northern East Malaysia. The company is acclaimed for its proficiency in producing premium corrugated cardboard boxes, paper bags, and various other packaging materials.

Peace Pack Sdn Bhd, a valued client of Prestige Atlantic Asia, has recently upgraded its ERP to the **CPS Enterprise 2023**. This upgrade facilitates the generation of more detailed and insightful reports, streamlines their sales processes through comprehensive integration, and significantly enhances their digitalization capabilities. Specifically, it optimizes the digitalization of various racks, including Flexo Plate, Flat Die-Cut, Rotary Die-Cut, and Customer Sample Box, thereby improving overall efficiency and productivity in the Industry 4.0 era.

## CHUAN THONG INDUSTRIES, SELANGOR

### CPS MINIBOX 2023 UPGRADE

Chuan Thong Industries leverages cutting-edge technology and specialized expertise to fulfill the diverse specifications and demands of its clientele. Renowned for producing high-quality carton boxes that adhere to industry standards, the company places strong emphasis on durability, functionality, and environmental sustainability. Chuan Thong Industries' commitment to sustainable solutions has solidified its esteemed reputation within the packaging industry.

Prestige Atlantic Asia has facilitated the upgrade of Chuang Thong Industries' MiniBox to the latest **CPS 2023** version. This enhancement will enable the company to incorporate Industry 4.0 principles into its operations, ensuring sustained competitiveness and growth in the future. Additionally, the upgrade includes new FSC features, furthering the company's commitment to sustainable practices.

### CHEONG MENG PAPER, SELANGOR

#### CPS ENTERPRISE 2026 ALL NEW, NEXT GEN

Cheong Meng Paper Boxes Manufacturing (M) Sdn Bhd, located in Sungai Buloh Selangor with factory size of 67,200 sq. ft.

In partnership with Prestige Atlantic Asia, the company has successfully upgraded the CPS 2015 to **CPS 2026** with the latest platform in Java and running on Redhat Enterprise Linux Server. This state-of-the-art reporting and automation solution is expected to significantly reduce costs, enhance operational efficiency, and drive profitability with advancements in Industry 4.0.

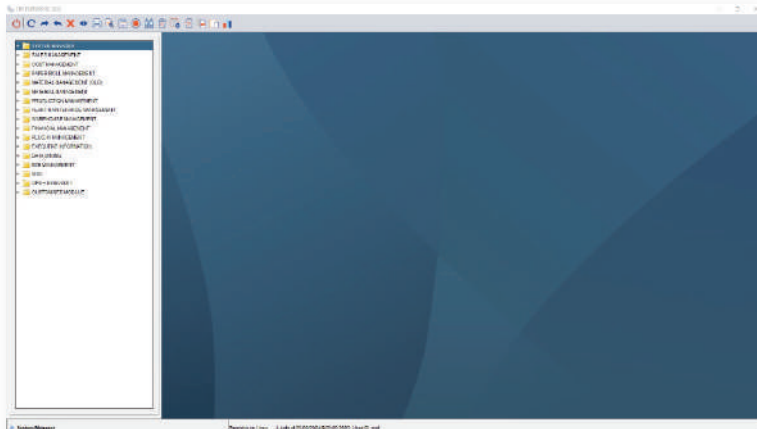

### PT. PANCAMITRA PACKINDO Corrugated Carton Box Manufacturer

#### CPS ENTERPRISE 2026 ALL NEW, NEXT GEN

Established in 1990, PT Panca Mitra Packindo is a well-known packaging industry based in Tangerang, Indonesia. The company has been operating for over 30 years and has a strong record of providing high-quality packaging solutions to its customers.

PT Panca has successfully upgraded the CPS 2015 to **CPS 2026** with the latest platform in Java and running on Redhat Enterprise Linux Server. This will bring significant advantages to the company by automating processes, enhancing reporting capabilities, and future-proofing operations with Industry 4.0 technologies.

#### HPE DL380 Server + Red Hat Enterprise Linux OS

**INDUSTRY 4.0****SEA PAPER INDUSTRIES, PERAK****CPS + CPMS LINK TO TIAN LONG**

Sea Paper Industries Sdn Bhd stands as a prominent provider of packaging solutions, with state-of-art corrugating and converting plants in Peninsular Malaysia.

Prestige Atlantic Asia successfully installed the **CPS + CPMS link to Tian Long**. The system provides the real-time data updates and auto floor tracking. The planner can do the schedule and planning in office that automatically integrate to DECC machine. This allows to reduce the manual operation, errors, and costs.

## MUDA PACKAGING INDUSTRIES, SELANGOR

### CPS FSC

Prestige Atlantic Asia and Muda Packaging Industries have initiated the implementation of CPS FSC, a comprehensive and fully integrated business software solution. **CPS FSC** has the capability to link with Paper Roll purchase & inventory, Finished Goods operation and Sales and Finance operations.
