INDONESIA – November 2024 – Prestige Atlantic Asia took part in the AKKGI (Association of Corrugated Carton Manufacturers of Indonesia) Congress 2024, joining industry leaders and collaborators to exchange insights on market trends, operational challenges, and the future of packaging innovation in the region.

The meeting provided a strategic platform for fostering cross-border collaboration and strengthening ties with key players in the corrugated packaging sector.

Prestige Atlantic Asia reaffirmed our commitment to supporting digital transformation and smart manufacturing through continuous dialogue and knowledge sharing with industry stakeholders across the Southeast Asia region.

We are working towards helping companies realize their ambitions to scale efficiently and improve profitability with Industry 4.0 solutions. The engagement with AKKGI demonstrates our dedication to building meaningful partnerships that drive technological advancement in Indonesia's packaging manufacturing sector.

Through these collaborative efforts, Prestige Atlantic Asia continues to strengthen regional networks while positioning Indonesia as a key market for innovative packaging solutions and manufacturing excellence.
